New factory embossed faux garage doors can have front door and shutters, if applicable, painted faux to match embossed door or painted Bear Rug. Custom Fascia color Bear Rug is available at the Sherwin Williams above. This color may be used on fascia and gutters but may not be used on stucco or trim.

Sample color schemes are available to be viewed at the HOA office by appointment or at the Sherwin Williams location above.

\* Primer (Lexon-A24W8300) must be used prior to painting Alabaster or it will not cover.

**Please remember to submit a Paint Modification Request prior to any exterior painting.**
